

# **FORGIVENESS COUPON**

*I do it for ME, to set myself FREE.*

**First, I forgive myself** for any dramas that I create out of the mistaken belief that I am only human, and I remember that:

**At the End of the Day,  
I will not be held accountable for the way  
others treated me, only how I treated them.**

**So with all deliberate speed, I joyfully forgive you.**

*This coupon is fully transferable. Duplication is highly encouraged. Expiration Date: NEVER*
